

Module Descriptor

Title	Financial Management For Business With Finance								
Session	2025/26	2025/26 Status New							
Code	ACCT08XXX	SCQF Level	8						
Credit Points	20	ECTS (European Credit Transfer Scheme)	10						
School	Business and Creative Industries								
Module Co-ordinator	Kenbata Bangassa								

Summary of Module

The module introduces students to financial management objectives and environment as well as financial statements. Working capital management is covered by looking at selected areas such as cash, inventory, accounts receivable and accounts payable. Alternative methods used in investment appraisal are studied understanding theoretical and empirical contents. Special areas in investment appraisal such as evaluation of projects with different lives, making investment decision when funds are limited, inflationary impacts on investment appraisal, how to make investment decision while considering risk and investment appraisal.

The syllabus also covers sources of finance (example: equity and debt finance).as well as leasing as a form of business financing. Capital structure and the cost of capital equip candidates with essential knowledge and understanding that is applicable in practising financial management in business environment. The syllabus also covers study subtopics in the areas of dividend policy and other forms of distributions.

Module Delivery Method	On-Campus¹ ⊠	Hybrid ²	Online ³	Work -Based Learning⁴
Campuses for Module Delivery	Ayr Dumfries	Lanarks London Paisley		Online / Distance Learning Other (specify)

¹ Where contact hours are synchronous/ live and take place fully on campus. Campus-based learning is focused on providing an interactive learning experience supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus contact hours will be clearly articulated to students.

² The module includes a combination of synchronous/ live on-campus and online learning events. These will be supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus and online contact hours will be clearly articulated to students.

³ Where all learning is solely delivered by web-based or internet-based technologies and the participants can engage in all learning activities through these means. All required contact hours will be clearly articulated to students.

⁴ Learning activities where the main location for the learning experience is in the workplace. All required contact hours, whether online or on campus, will be clearly articulated to students
