| problem-solving skills. Through a series of workshops, you will consider emerging issues in business and you will have the opportunity to apply your prior knowledge to consider how these and you will have the opportunity to apply your prior knowledge to consider how these issues impact business, and how such issues might be improved upon or resolved issues. The module will be participative, and you will be expected to engage fully in applying your knowledge and skills to these emerging business issues. The module will prepare you for the business environment by supporting the development of your critical thinking skills, understanding of the wider context of business, and improving your capacity to be proactive regarding changes in the business environment. | | | | | | | | | | |

| Co-requisites | Module Code: | Module Title: | | | | |

^{*}Indicates that module descriptor is not published.

Learning and Teaching

In line with current learning and teaching principles, a 20-credit module includes 200 learning hours, normally including a minimum of 36 contact hours and maximum of 48 contact hours.

| Learning Activities During completion of this module, the learning activities undertaken to achieve the module learning outcomes are stated below: | Student Learning Hours (Normally totalling 200 hours): (Note: Learning hours include both contact hours and hours spent on other learning activities) |
|--|---|
| Laboratory/Practical Demonstration/Workshop | 36 |
| Asynchronous Class Activity | 12 |
| Independent Study | 152 |

| | Hours Total 200 |

**Indicative Resources: (eg. Core text, journals, internet access)

The following materials form essential underpinning for the module content and ultimately for the learning outcomes:

Wetherly, P. and Otter, D., 2014. *The business environment: themes and issues in a globalizing world.* Oxford University Press, USA.

Details of further resources, including textbooks, journals and online resources will be identified at the beginning of each delivery in the module handbook, and made available via VLE.

Click or tap here to enter text.

(**N.B. Although reading lists should include current publications, students are advised (particularly for material marked with an asterisk*) to wait until the start of session for confirmation of the most up-to-date material)

Attendance and Engagement Requirements

In line with the <u>Student Attendance and Engagement Procedure</u>: Students are academically engaged if they are regularly attending and participating in timetabled on-campus and online teaching sessions, asynchronous online learning activities, course-related learning resources, and complete assessments and submit these on time.

For the purposes of this module, academic engagement equates to the following:

Equality and Diversity

The University's Equality, Diversity and Human Rights Procedure can be accessed at the following link: UWS Equality, Diversity and Human Rights Code.

Please ensure any specific requirements are detailed in this section. Module Coordinators should consider the accessibility of their module for groups with protected characteristics..

(N.B. Every effort will be made by the University to accommodate any equality and diversity issues brought to the attention of the School)

Assessment: (also refer to Assessment Outcomes Grids below)

This module will include two assessments. The modules cover contemporary topics and the first assessment will be a coordinated debate; and second assessment will be a written assessment.

Assessment 1 – Coordinated Debate (30%)

Assessment 2 – Written Assignment (70%)

- (N.B. (i) **Assessment Outcomes Grids** for the module (one for each component) can be found below which clearly demonstrate how the learning outcomes of the module will be assessed.
- (ii) An **indicative schedule** listing approximate times within the academic calendar when assessment is likely to feature will be provided within the Student Module Handbook.)
