Session: 2024/25

Title of Module: Developing Factual Formats			
BROA10001	SCQF Level: 10 (Scottish Credit and Qualifications Framework)	Credit Points: 20	ECTS:10 (European Credit Transfer Scheme)
School:	School of BCI		
Module Co-ordinator:	Paul Tucker		
Summary of Module			
<p>Developing Factual Formats aims to extend and further consolidate students' abilities in contemporary television and audio formats and factual production. The module will address current issues relating to the development, production, financing, commissioning and global franchising of a returnable, factual television, audio and multiplatform formats including factual entertainment formats. Students will develop and produce a taster for a factual programme or series, targeted for broadcast or multiplatform commission.</p> <p>Students will develop a number of factual television or audio format concepts underpinned by appropriate research and critical engagement. They will fully develop one of these formats and present this proposal to a project-commissioning panel including, where possible, relevant industry professionals.</p> <p>One important aspect of this module is the importance placed on feedback. The student will be encouraged to develop their idea based on feedback from industry experts, lecturers and peers</p>
