Title of Module: Inclusive Leadership Practices						
Code: EDLR11005	SCQF Level: 11 (Scottish Credit and Qualifications Framework)	Credit Points: 20	ECTS: 10 (European Credit Transfer Scheme)			
School:	School of Education & Social Sciences					
Module Co-ordinator:	C Manousou					

## **Summary of Module**

Through structured engagement with relevant resources, this module provides participants with opportunities to reflect on their own practice in the area of Leadership in Education and appreciate the necessity for change to meet the needs of the increasingly complex and diversifying educational contexts around the world. Module participants will be critically engaged with collegial models of educational leadership in the light of relevant theories, research findings and evidence-based enhancement of practice that best contribute to fostering inclusive leadership practices in diverse teams and positively navigate across diversity in race, culture, social class, ethnicity, religion, gender and ability, creating and sustaining inclusive schools and organizations. The module assessment includes a group presentation and a reflective essay related to participants' practice with a focus for change within their professional context.

The UWs attributes that are commonly developed through the completion of this module are:

- -Critical and analytical thinking
- -Resilience, autonomy and motivation
- -Social responsibility and cultural awareness
- -Effective communication and collaboration for potential leadership
