<p>This module is aimed at those who have already taken Introduction to Spanish 1 or have a basic knowledge of the language. In the lecture session of the class the main grammar points will be introduced. In the seminar section the grammar will be practised through grammatical exercises to make students aware of the workings of the language; presentations; role plays; pair-work exercises; and other interactive activities.</p> <p>Spanish will be the working vehicle of the class, where all four language skills (listening, speaking, reading and writing) will be developed. Students will be expected to practice outside class time by means of written assignments and other pieces of homework. Learning will also be supported by the use of virtual learning environments.</p> <p>The mode of delivery will typically be 2- hour classes per week for 12 weeks.</p>
