<b>Summary of Module</b>			
<p>This module represents the first assessed practice learning opportunity for the undergraduate qualifying award in social work. Students are required to demonstrate competency across a range of learning domains prescribed within the Standards in Social Work Education (SSSC, 2019). This will require students to demonstrate an ability to coherently and systematically integrate relevant skills and knowledge within a framework of critical analysis and reflection in both their practice setting and academic coursework.</p> <p>The placement will be of a duration period of 80 days. Students will work under the supervision of a practice teacher, or a person undertaking training as a practice teacher who will be supervised by a practice assessor. The practice teacher, personal tutor, and any link worker will constitute the learning team.</p> <p>Key aspects of the module:</p> <ul style="list-style-type: none"><li>• 80 days of practice placement within a professional social work or associated context to provide the student with an opportunity to meet the Standards in Social Work Education (SiSWE) as prescribed by the Scottish Social Services Council (2019).</li><li>• Professional learning, support, supervision and assessment on placement from accredited practice teaching staff.</li><li>• Classroom sessions to support learning on placement and to prepare students for assessment.</li><li>• UWS staff support throughout the duration of the placement (placement tutors).</li><li>• As a practice learning module, the pedagogical approach will be that of inquiry-based learning.</li></ul>
