University of the West of Scotland

Module Descriptor

Session: 2024/25

Title of Module: Security in a Global Age								
Code: CRIM10013		3	SCQF Level: 10 Scottish Credit and Qualifications Framework)		Cred 20	Credit Points: 20		5: 10 opean it Transfer me)
School:	School: School of Education and Social Sciences							
Module C	o-ordinato	r:	A Watkin					
Summary	of Module	•						
justice. The threats to concerned , communit	This module examines global security challenges and at the intersections of crime and criminal justice. The module differentiates between traditional security threats that are concerned with threats to the territory and sovereignty of the nation state, and human security which is concerned with safety and well-being individual citizens (i.e., economic-, food-, environmental-, community- and health security. This module explores a number of issues as security threats, and the process of securitization.

These appro	e should take opriate level fo	s: (maximum of 5 statements) cognisance of the SCQF level descriptors and be at the r the module. dule the student will be able to:			
L1	-	rstand that key concepts - such as 'terrorism' 'human trafficking' and ave a variety of meanings and are used differently by individual authors cors.			
L2	-	nd demonstrate how those concerned with criminal justice construct and ticular pictures of the world and to sell specific solutions.			
L3		at certain issues with a cross-border dimension and/or the response to d differently around the world.			
L4	Critically evalua	te a major international response to at least one transnational crime			
L5					
Empl	oyability Skills	and Personal Development Planning (PDP) Skills			
SCQF	- Headings	During completion of this module, there will be an opportunity to achieve core skills in:			
	ledge and standing (K	SCQF Level 10			
and U)		Students should be able to demonstrate knowledge and understanding of the terms security and securitization. Students should also be able to demonstrate knowledge and understanding of a range of current security threats.			
	ce: Applied	SCQF Level 10			
Knowledge and Understanding		Students will gain this knowledge and understanding through engagement in lectures and seminars, events with guest speakers from reputable organisations, the module's documentary club, essential readings, time spent in independent learning, and assessments.			
Generic Cognitive skills		SCQF Level 10			
		Students will undertake critical analysis, evaluation and/or synthesis competing ideas, concepts, and information within the subject area. They will draw on logic and reasoning skills to examine these topics within seminars and will use their visual/auditory processing skills to present their understanding of these issues in assessments.			
	nunication, nd Numeracy	SCQF Level 10			
ICT and Numeracy Skills		Students will demonstrate these skills via two assessments. The first assessment will demonstrate that they can clearly communicate knowledge and understanding of the key theories that underpin the			

	module. The second assessment will allow them to demonstrate that they can apply critical thinking in answering an essay question and communicate their arguments in a clear manner.			
Autonomy, Accountability and Working with others	Students will demonstrate autonomy and accountability by being responsible for their planning, timekeeping, and meeting assessment deadlines. They will also by exercising autonomy showcase their ability to work with others through seminar debates and coursework preparation.			
Pre-requisites:	Before undertaking this module the student should have undertaken the following:

Co-requisites	Module Code: Module Title:			

Learning and Teaching

In line with current learning and teaching principles, a 20-credit module includes 200 learning hours, normally including a minimum of 36 contact hours and maximum of 48 contact hours.

Learning Activities During completion of this module, the learning activities undertaken to achieve the module learning outcomes are stated below:	Student Learning Hours (Normally totalling 200 hours): (Note: Learning hours include both contact hours and hours spent on other learning activities)
Lecture/Core Content Delivery	18
Lecture/Core Content Delivery	8
Choose an item. Module documentary club	8
Choose an item. Assessment drop-in support	8
Independent Study	164
	Hours Total 200

The following materials form essential underpinning for the module content and ultimately for the learning outcomes:

Balzacq, T., Léonard, S., & Ruzicka, J. (2016). 'Securitization' revisited: Theory and cases. International relations, 30(4), 494-531.

Zedner, L., 2003. The concept of security: an agenda for comparative analysis. *Legal studies*, 23(1), pp.153-176.

Zedner, L. (2009) Security. London: Routledge

Please ensure the list is kept short and current. Essential resources should be included, broader resources should be kept for module handbooks / Aula VLE.

Resources should be listed in Right Harvard referencing style or agreed professional body deviation and in alphabetical order.

(**N.B. Although reading lists should include current publications, students are advised (particularly for material marked with an asterisk*) to wait until the start of session for confirmation of the most up-to-date material)

Attendance and Engagement Requirements

In line with the <u>Student Attendance and Engagement Procedure</u>: Students are academically engaged if they are regularly attending and participating in timetabled on-campus and online teaching sessions, asynchronous online learning activities, course-related learning resources, and complete assessments and submit these on time.

For the purposes of this module, academic engagement equates to the following:

In line with the Academic Engagement and Attendance Procedure, Students are defined as academically engaged if they are regularly engaged with timetabled teaching sessions, course-related learning resources including those in the Library and on Moodle, and complete assessments and submit these on time. Please refer to the Academic Engagement and Attendance Procedure at the following link: Academic engagement and attendance procedure

Equality and Diversity

The University's Equality, Diversity and Human Rights Procedure can be accessed at the following link: <u>UWS Equality</u>, <u>Diversity and Human Rights Code</u>.

Aligned with the overall commitment to equality and diversity stated in the Programme Specifications, the module supports equality of opportunity for students from all backgrounds and with different learning needs. Using Moodle, learning materials will be presented electronically in formats that allow flexible access and manipulation of content. The module complies with University regulations and guidance on inclusive learning and teaching practice. Specialist assistive equipment, support provision and adjustment to assessment practice will be made in accordance with UWS policy and regulations. The University's Equality, Diversity and Human Rights Policy can be accessed at the following link: http://www.uws.ac.uk/equality/ Our partners are fully

committed to the principles and practice of inclusiveness and our modules are designed to be accessible to all.

(N.B. Every effort will be made by the University to accommodate any equality and diversity issues brought to the attention of the School)

Supplemental Information
