

## Module Descriptor

<b>Title</b>	ODP Care of the Vulnerable Person		
<b>Session</b>	2024/25	<b>Status</b>	Active
<b>Code</b>	NURS08054	<b>SCQF Level</b>	8
<b>Credit Points</b>	30	<b>ECTS (European Credit Transfer Scheme)</b>	15
<b>School</b>	Health and Life Sciences		
<b>Module Co-ordinator</b>	K Porteous		
<b>Summary of Module</b>			
<p>Through involvement in module activities and assessments, students will develop interpersonal skills and enhance their ability to provide values based person-centred care. This module is supported by a strong foundation of Public Policy relating to Health and Social Care across the lifespan, including European Union Health Strategy (2008-13), the Equally Well Review (Scottish Government 2010), Protecting Vulnerable Groups (Scottish Government 2011) and Standards of Care for Dementia in Scotland (2011). The value of professional, legal and ethical principles and frameworks in protection of vulnerable people is highlighted throughout.</p> <p>Caring for a range of age groups and illnesses e.g. those experiencing Dementia, learning disabilities, various vulnerabilities and children. This module will also focus on the engagement with research in evidence-based practice and principles of quality improvement.</p> <p>Graduate attributes developed in this module include skills in social responsibility, ethical mindfulness and resilience, as you come to understand the health challenges across the age span.</p>			

<b>Module Delivery Method</b>	<b>On-Campus<sup>1</sup></b> <input type="checkbox"/>	<b>Hybrid<sup>2</sup></b> <input type="checkbox"/>	<b>Online<sup>3</sup></b> <input checked="" type="checkbox"/>	<b>Work -Based Learning<sup>4</sup></b> <input type="checkbox"/>
<b>Campuses for Module Delivery</b>	<input type="checkbox"/> Ayr <input type="checkbox"/> Dumfries	<input type="checkbox"/> Lanarkshire <input type="checkbox"/> London	<input checked="" type="checkbox"/> Online / Distance Learning	

<sup>1</sup> Where contact hours are synchronous/ live and take place fully on campus. Campus-based learning is focused on providing an interactive learning experience supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus contact hours will be clearly articulated to students.

<sup>2</sup> The module includes a combination of synchronous/ live on-campus and online learning events. These will be supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus and online contact hours will be clearly articulated to students.

<sup>3</sup> Where all learning is solely delivered by web-based or internet-based technologies and the participants can engage in all learning activities through these means. All required contact hours will be clearly articulated to students.

<sup>4</sup> Learning activities where the main location for the learning experience is in the workplace. All required contact hours, whether online or on campus, will be clearly articulated to students

<b>Long-thin Delivery over more than one Term</b>	Term 1 – Term 2	<input type="checkbox"/>	Term 2 – Term 3	<input type="checkbox"/>	Term 3 – Term 1	<input type="checkbox"/>

<b>Learning Outcomes</b>	
<b>L1</b>	Demonstrate an understanding of the factors which influence human development across the lifespan.
<b>L2</b>	Demonstrate an understanding of the appropriate care for people who are vulnerable utilising a holistic approach.
<b>L3</b>	Critically discuss the concepts of rights, dignity and compassion within health and social care.
<b>L4</b>	Demonstrate an understanding of the value of interpersonal skills, self awareness and awareness of others.
<b>L5</b>	Demonstrate an understanding of factors influencing the development of vulnerability utilising knowledge from life science.

<b>Employability Skills and Personal Development Planning (PDP) Skills</b>	
<b>SCQF Headings</b>	<b>During completion of this module, there will be an opportunity to achieve core skills in:</b>
<b>Knowledge and Understanding (K and U)</b>	<p><b>SCQF 8</b></p> <p>Demonstrating a critical understanding of the influencing factors which lead to the development of vulnerability and in particular to profile a range of conditions such as dementia, stroke, substance misuse, obesity and cancer.</p> <p>Demonstrate a knowledge of the needs of vulnerable people utilising a holistic approach.</p> <p>Demonstrate an understanding of the professional, ethical and legal considerations in the context of vulnerability - to include further development in understanding of pertinent field legislation (e.g Mental Health (Care and Treatment)(Scotland) Act 2003, Adults with Incapacity Act 2000.</p> <p>Demonstrate a knowledge of the concepts of rights, dignity and compassionate care.</p> <p>Demonstrate a knowledge and understanding of relevant literature including Public Policy and research in relation to vulnerability.</p>
<b>Practice: Applied Knowledge and Understanding</b>	<p><b>SCQF 8</b></p> <p>Using a range of skills, techniques and practices suitable for dealing effectively with a range of people who are vulnerable.</p> <p>Applying a range of specific skills which enable effective engagement and demonstration of the practical application of theoretical concepts.</p> <p>Using reflective skills to develop a deeper understanding of self awareness and awareness of others.</p>

<b>Generic Cognitive skills</b>	<p><b>SCQF 8</b></p> <p>Undertaking critical evaluation of ideas, concepts, information and issues relating to vulnerability.</p> <p>Applying critical discussion of the literature in relation to professional, ethical and legal issues and recognise the implications for practice.</p> <p>Critically discussing the concepts of dignity, compassion, risk, resilience and holistic care across the lifespan.</p> <p>Evaluating evidence-based approaches within Health and Social Care.</p>
<b>Communication, ICT and Numeracy Skills</b>	<p><b>SCQF 8</b></p> <p>Demonstrating a range of communication skills to convey complex information to a variety of audiences.</p> <p>Using a range of ICT methods to obtain data.</p> <p>Using and evaluating numerical and graphical data.</p>
<b>Autonomy, Accountability and Working with Others</b>	<p><b>SCQF 8</b></p> <p>Exercising autonomy and initiative and accountability in relation to team working.</p> <p>Taking responsibility for the evaluation of the work of self and others in defined areas of work and provide constructive feedback to colleagues.</p> <p>Demonstrating knowledge of a wide range of professional, ethical and legal considerations which inform caring for people who are vulnerable.</p> <p>Demonstrating knowledge and work in accordance with professional conduct requirements and professional guidance.</p> <p>Working collaboratively with a range of people.</p>

**(N.B. Although reading lists should include current publications, students are advised (particularly for material marked with an asterisk\*) to wait until the start of session for confirmation of the most up-to-date material)**

### Attendance and Engagement Requirements

In line with the [Student Attendance and Engagement Procedure](#), Students are academically engaged if they are regularly attending and participating in timetabled on-campus and online teaching sessions, asynchronous online learning activities, course-related learning resources, and complete assessments and submit these on time.

**For the purposes of this module, academic engagement equates to the following:**

Students will engage with the module by attending all scheduled synchronous tutorials and participating with all delivered elements of their programme of study. Students must also attend their work-based placement, in line with the requirements of their NHS Employer.

### Equality and Diversity

**The University's Equality, Diversity and Human Rights Procedure can be accessed at the following link: [UWS Equality, Diversity and Human Rights Code](#).**

In line with current legislation (Equality Act, 2010) and the UWS Equality, Diversity, and Human Rights Code, our modules are accessible and inclusive, with reasonable adjustment for different needs where appropriate. Module materials comply with University guidance on inclusive learning and teaching, and specialist assistive equipment, support provision and adjustment to assessment practice will be made in accordance with UWS policy and regulations. Where modules require practical and/or laboratory based learning or assessment required to meet accrediting body requirements the University will make reasonable adjustments such as adjustable height benches or assistance of a 'buddy' or helper.

**(N.B. Every effort will be made by the University to accommodate any equality and diversity issues brought to the attention of the School)**
