

Module Descriptor

Title	Developing Outdoor Sport & Activity					
Session	2025/26	Status Published				
Code	SPOR10045	SCQF Level	10			
Credit Points	10	ECTS (European Credit Transfer Scheme)	5			
School	Health and Life Sciences					
Module Co-ordinator	Rebecca O'Hanlon					

Summary of Module

This module will introduce students to sport and the outdoors exploring key theoretical concepts, perspectives and practices including the green and blue gym. Students will build on related topics gained from previous modules e.g., public, private and voluntary sectors; social-cultural impacts of sport; sport policy; sport education; conservation and

explored in relation to the key concept of outdoor education. Students will also identify and analyse economic and political factors which can influence the delivery of outdoor sport and will explore how the outdoors can positively and negatively affect individuals mentally, physically, spiritually and socially.
This module will allow student to develop key Graduate Attributes', specifically:
Universal:
Inquiring
Culturally Aware
Collaborative
Work-Ready:
Problem-solver
Effective Communicator
Motivated
Successful:
Innovative
Creative
Daring

Lear	Learning Outcomes					
L1	Analyse the history and contemporary development of outdoor sport in the UK through a range of principles, principal theories, concepts and practices					
L2	Identify and critically examine the interrelationships between the outdoors, sport development and the delivery of outdoor sport by the public, voluntary and private sectors.					
L3						
L4						
L5						

Employability Skills and Personal Development Planning (PDP) Skills						
SCQF Headings	During completion of this module, there will be an opportunity to achieve core skills in:					
Knowledge and	SCQF 10					
Understanding (K and U)	Demonstrating knowledge and understanding of the ways in which outdoor sport is developed.					
	Showing or using a critical understanding of the principal theories, concepts and principles.					
Practice: Applied	SCQF 10					
Knowledge and Understanding	Using a range of the principal skills, practices and materials associated with outdoor sport development.					
Generic Cognitive skills	SCQF 10					

¹ Where contact hours are synchronous/ live and take place fully on campus. Campus-based learning is focused on providing an interactive learning experience supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus contact hours will be clearly articulated to students.

² The module includes a combination of synchronous/ live on-campus and online learning events. These will be supported by a range of digitally-enabled asynchronous learning opportunities including learning materials, resources, and opportunities provided via the virtual learning environment. On-campus and online contact hours will be clearly articulated to students.

³ Where all learning is solely delivered by web-based or internet-based technologies and the participants can engage in all learning activities through these means. All required contact hours will be clearly articulated to students.

⁴ Learning activities where the main location for the learning experience is in the workplace. All required contact hours, whether online or on campus, will be clearly articulated to students

	Offering professional level insights, interpretations and solutions to problems and issues related to sport development and the outdoors.
Communication,	SCQF 10
ICT and Numeracy Skills	Making formal presentations about specialised topics to informed audiences.
	Communicating with professional level peers, senior colleagues and specialists.
	Using a range of software to support and enhance work at this level.
Autonomy,	SCQF 10
Accountability and Working with	Exercising autonomy and initiative in professional/equivalent activities.
Others	Working with others to bring about change, development and/or new thinking.

Learning and Teaching

In line with current learning and teaching principles, a 20-credit module includes 200 learning hours, normally including a minimum of 36 contact hours and maximum of 48 contact hours.

On-campus learning events focus on providing active and interactive learning, supported by readings, resources and other activities for students to prepare (pre-learning event) and consolidate learning (post-learning event).

Learning Activities	Student Learning
During completion of this module, the learning activities undertaken to achieve the module learning outcomes are stated below:	Hours (Note: Learning hours include both contact hours and hours spent on other learning activities)
Lecture / Core Content Delivery	13
Asynchronous Class Activity	5
Independent Study	82
n/a	
n/a	
n/a	
TOTAL	100

Indicative Resources

The following materials form essential underpinning for the module content and ultimately for the learning outcomes:

Ewart A. & Sibthorp J. (2014) Outdoor Adventure Education, Foundations, Theory and Research Leeds: Human Kinetics.

Hinch T. & Higham J. (2011) Sport Tourism Development 2nd Ed, Butterworth-Heinemann: Oxford.

Palmer C. (2013) Global Sports Policy, Sage Publications: London.

(N.B. Although reading lists should include current publications, students are advised (particularly for material marked with an asterisk*) to wait until the start of session for confirmation of the most up-to-date material)

Attendance and Engagement Requirements

In line with the <u>Student Attendance and Engagement Procedure</u>, Students are academically engaged if they are regularly attending and participating in timetabled oncampus and online teaching sessions, asynchronous online learning activities, course-related learning resources, and complete assessments and submit these on time.

For the purposes of this module, academic engagement equates to the following:

100% Attendance at all module events and consistent weekly engagement with online materials.

Equality and Diversity

The University's Equality, Diversity and Human Rights Procedure can be accessed at the following link: <u>UWS Equality</u>, <u>Diversity and Human Rights Code</u>.

In line with current legislation (Equality Act, 2010) and the UWS Equality, Diversity, and Human Rights Code, our modules are accessible and inclusive, with reasonable adjustment for different needs where appropriate. Module materials comply with University guidance on inclusive learning and teaching, and specialist assistive equipment, support provision and adjustment to assessment practice will be made in accordance with UWS policy and regulations. Where modules require practical learning or assessment, alternative formats and/or roles will be provided for students with physical disabilities which impact participation.

(N.B. Every effort will be made by the University to accommodate any equality and diversity issues brought to the attention of the School)
